## Colonial Crafts: Spinning

### Event Information

Saturday, June 24, 2017  
2:00 pm to 4:00 pm

When America declared its independence, the ancient art of spinning became more common in the United States. Come learn about wool, fiber processing, and spin wool yourself on a drop spindle in the quaint setting of Mount Clare's kitchen. The price includes a drop spindle you can take home, wool roving, and a tour of Mount Clare. This workshop is great for any beginners 12 and older with an interest in crafting, knitting, crocheting, and fibers.
